

The Photo Gallery is an ongoing feature of the Sustainable Schoolyard site. Take a tour through the Sustainable Schoolyard [construction site](#) , as volunteers came together to build the exhibit.

For a walkthrough of the exhibit at the U.S. Botanic Garden, take the [Schoolyard Tour](#) .

Watch as a kindergarten class in Berkeley, California, plans and designs the exhibit [bird houses](#) .

See how a kindergarten class in Berkeley, California, created the exhibit [sunflowers](#) as part of their school lesson.

And see what a sustainable schoolyard looks like in the eyes of children, who drew [pictures](#) like the one shown here during Family Days 2008 at the U.S. Botanic Garden exhibit.

Stop by for more images from the Sustainable Schoolyard in the coming weeks.
